3 World-class data extraction and automation

Market-leading data extraction speed, accuracy and uptime; we're there when you and your clients need us.

4 Tax workflow support

Easily access and work with summary totals and tax reports. Export to CSV ready for upload into the tax software you already use.

The screenshot shows the Dext Solo web interface. At the top, there are user avatars and names: GA Gunderson Accounting, FU Filip Jankowski, and FF Filip's Flora & Fauna. On the right, there's a notification bell, a refresh icon, and a user profile for Anna Account. The main content area is titled 'Cost inbox' and has a sub-header 'Inbox 9' with tabs for 'Processing' and 'Archive'. Below this are buttons for 'Publish', 'Archive', 'Add to expense claim', and 'Actions'. A search bar and a filter icon are also present. The table below has the following columns: Status, User, Date, Supplier, Category, Total, Tax, and Match. The data rows are as follows:
